End Application:

F-111a/b aircraft

Functional Classification:

Aa-9.2

Functional Description:

Provide phase and amplitude measurement of any direct-coupled or modulated-carrier servo system or low frequency network

Entry Date:

71-11-01

Reference Data And Literature:

T.O.33d7-10-30-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
