End Application:
F-111a/b aircraft
Functional Classification:
Aa-9.2
Functional Description:
Provide phase and amplitude measurement of any direct-coupled or modulated-carrer servo system or low frequency network
Entry Date:
71-11-01
Reference Data And Literature:
T.O.33d7-10-30-1
Shelf Life:
N/a
Unit Of Measure:
<del></del>
Demilitarization:
No
