**End Application:**

Platform module assemblies y671260-1, 653707, 660400, 671544-1, 671545-4

**Special Features:**

To name: accelerometer float leak pressure and vacuum test chamber

**Functional Description:**

Used during component maintenance/repair

**Reference Data And Literature:**

To 5n24-5-4

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
