LIIU	$\Delta$	DIIL	,auc	,,,,

Stabilizer hydraulic flow control valve series 63700 & 42801e

**Special Features:** 

To name: test manifold indicator

**Functional Description:** 

Used to support indicator during functional pre-test

**Reference Data And Literature:** 

To 9h8-4-168-3

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A505c0
