End Application:

F111 acft; isolation valve series 28200

Product Name:

Solenoid valve ejector duct harness adapter

Special Features:

C/o 20 awg cable w/two conductors and connectors 60 in. Lg

Functional Description:

Used to connect power to solenoid during test

Reference Data And Literature:

Agerd 2627; to 9h8-4-186-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23800
