Test Type For Which Designed:

Air leakage

Engine Model Tested:

J85-ge-5/7

Special Features:

Used for testing air leakage and actuation force of bleed valves/18.00 in high/23.00in long/16.50in wide

Reference Data And Literature:

To 33d4-6-199-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T361-d
