Overall Length:

7.000 inches

Overall Height:

2.000 inches

Overall Width:

5.000 inches

End Application:

Aircraft yaw damper module test adapter 204-94020-1

Test Item Connection Method:

Connector

Product Name:

Yaw damper module test adapter (breakout box)

Special Features:

U/o yaw damper module assembly p/n 204-60641-1, e-3a awacs

Functional Description:

Used for access to pins on connectors d752 and d754

Reference Data And Literature:

To 5a13-5-18-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537k0
