**End Application:**

Electromechanical linear actuator series r1514

**Product Name:**

Dielectric test adapter

**Functional Description:**

Used with insulation tester it25a to check dielectric requirements of the actuator assembly

**Reference Data And Literature:**

To 8d1-26-7-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
