End Application:

Maintenance annunciator panel 946f987-1

Product Name:

Adapter, switching

Special Features:

Consists of adapter and cable 9009d57-4, cable 933a311-4, dielectric adapter 972c435-1

Functional Description:

Used to determine the acceptability of the maintenance annunciator

Reference Data And Literature:

To 8c21-4-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
