End Application:

Boeing e-3a airborne warning and attack control control system antenna drive atk77/a37d-1

Product Name:

Dummy spline adapter

Special Features:

Cres, 310, passivated surface treatment, o/a lg 7.000 in. Nom, shaft lg 4.500 in. Nom, shaft od 1.500 in. Nom, spline lg 2.500 in. Nom, 42 teeth, 2.1 pitch dia

Functional Description:

Used to align clutch disks during assembly

Reference Data And Literature:

To 9h28-2-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
