**End Application:**

Dual pressure control valve 39-075 and servo valve 37-001

**Special Features:**

To name: manifold; used to install servo valve body assembly to hydraulic test stand

**Reference Data And Literature:**

To 4ba4-88-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
