**Overall Length:**

10.000 inches

**Overall Height:**

10.000 inches

**Overall Width:**

6.000 inches

**End Application:**

F-16 aircraft 370 gal external fuel tank

**Test Item Connection Method:**

Connector

**Functional Classification:**

Aa-12.11

**Special Features:**

To name: pressure adapter assembly

**Material:**

Aluminum body and steel body

**Reference Data And Literature:**

To 6j14-2-39-2

**Fsc Application Data:**

External fuel tank 370.000 gal.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537k0
