Overall Length:

9.500 inches

Overall Height:

0.250 inches

Overall Width:

3.000 inches

End Application:

Imu mx9923/a

Product Name:

Holding tongs

Functional Description:

Used to hold housing assembly during high velocity spraying

General Description:

Matl steel, polytetrafluoroethylene

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
