End Application:

F106 aircraft age.

Usage Design:

Individual hydraulic units

Installation Design:

Portable

Product Name:

Test stand hydraulic power supply

Functional Description:

Hthe hydraulic power supply is part of the fire control system test stand

Reference Data And Literature:

T.O. 33d5-13-13-51; t.O.33d5-13-13-64

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T361-e
