Overall Length:

12.000 inches

Overall Height:

12.000 inches

Overall Width:

12.000 inches

End Application:

F-15a age

Product Name:

Test package, amplifier

Material:

Aluminum body

Surface Treatment:

Anodize

Supplementary Features:

Company name-wideband amplifier test package

Fsc Application Data:

Ug2600mm01

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537k0
