**End Application:**

F100-pw-100; f-15abcd

**Special Features:**

Manufacturers drawing name=fixture, machining, rear turbine hub

**Functional Description:**

Used during machining operations of rear turbine hub

**Reference Data And Literature:**

Engine rebuild tech data

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
