Overall Length:

14.125 inches

Overall Height:

10.250 inches

Overall Width:

6.000 inches

End Application:

An/ssm-285 automatic test station; supports e-3a aircraft

Test Item Connection Method:

Connector

Product Name:

Test adapter

Special Features:

Adapter c/o circuit card, mounting plate, and card guides; interfaces with chassis ms-18194/gsm-285

Reference Data And Literature:

Boeing contract f19628-70-c-0218, tech order 33d7-33-143-1related test station tech order 33d7-1-288-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A537k0
