**Overall Length:**

14.125 inches

**Overall Height:**

10.250 inches

**Overall Width:**

6.000 inches

**End Application:**

An/ssm-285 automatic test station; supports e-3a aircraft

**Test Item Connection Method:**

Connector

**Product Name:**

Test adapter

**Special Features:**

Adapter c/o circuit card, mounting plate, and card guides; interfaces with chassis ms-18194/gsm-285

**Reference Data And Literature:**

Boeing contract f19628-70-c-0218, tech order 33d7-33-143-1related test station tech order 33d7-1-288-1

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A537k0
