End Application:

F-15 aircraft age.

Special Features:

C/o adapte (s), holding fixture(s) , hoses, cables, and special accessories

Functional Description:

Used to adapt the modules to the avionics digital test station

Reference Data And Literature:

Serd no. 2099

Supplementary Features:

Company name-test package int. Comm. Control anel (1a4a1, 1a4a2)

Fsc Application Data:

4920-00-001-5267

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
