Nominal length:

3.000 inches

Nominal width:

1.500 inches

Nominal height:

0.500 inches

Special Features:

Matl: steel; c/o block, pin, and bushing

Functional Description:

Used during drilling the combustion chamber inter tube flange

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A505c0
