Overall Length:

12.875 inches

Overall Height:

2.000 inches

Overall Width:

9.340 inches

End Application:

F-100pw-100 engine electronic control model jfc90

Product Name:

Cover assembly, protective

Special Features:

Aluminum alloy

Reference Data And Literature:

To 6j3-4-102-4

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
