**End Application:**

F-16a/b aircraft ground support equipment

**Nominallength:**

0.500 inches

**Nominaldiameter:**

3.312 inches

**Special Features:**

Seals water separator outlet of environmental control system during proof pressure testing and external and internal leakage tests; c/o clamp, cap, o ring; for 3.000 in. Port; matl. 1018 stl

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A527z0
