**End Application:**

F-16a/b aircraft horizontal tail/flaperon servoactuator assembly

**Product Name:**

Monitor valve test block

**Special Features:**

Block is anodized aluminum, base plate is 17-4 stainless steel with a passivated finish

**Reference Data And Literature:**

To 9h2-4-238-3

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A537h0
