End Application:

Ln-39 standard inertial navigation unit

Nominal length:

14.125 inches

Nominal width:

10.000 inches

Nominal height:

7.375 inches

Special Features:

Matl: aluminum 6061-t6, brass, 303 stainless steel, corrosion resistant steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
