End Application:

Kc135 re-engine

Special Features:

Variable center of gravity; capable of lifting 1.250 lbs. At its most extreme position with total adjustment of 38.250 in. For the ctr of gravity; has a vertical opening of 36.620 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A505c0
