**End Application:**

Kc135 re-engine

**Special Features:**

Variable center of gravity; capable of lifting 1.250 lbs. At its most extreme position with total adjustment of 38.250 in. For the ctr of gravity; has a vertical opening of 36.620 in.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
