Special Features:

C/o base w/two concentric rings, inner/outer, welded to top side

Functional Description:

Used to support high pressure turbine shroud (p/n 9512m59g02) or low pressure turbine nozzle support (p/n 301-363-912-0) during stage one low pressure nozzle buildup

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A505c0
