End Application:

F-15a/b/c/d aircraft age.

Special Features:

C/o a flat plate with two rods attached perpendicular to the plate; materail is steel; 1.370 in. L, 0.620 in. W, 1.000 in. H

Functional Description:

Used to adapt the jfs tailpipe with exhaust ducts

Reference Data And Literature:

Serd no. 9624

Supplementary Features:

Company item name-link, exhaust duct jfs

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
