**End Application:**

F-15a/b/c/d aircraft age.

**Special Features:**

C/o a flat plate with two rods attached perpendicular to the plate; materail is steel; 1.370 in. L, 0.620 in. W, 1.000 in. H

**Functional Description:**

Used to adapt the jfs tailpipe with exhaust ducts

**Reference Data And Literature:**

Serd no. 9624

**Supplementary Features:**

Company item name-link, exhaust duct jfs

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
