Tube-dummy Low Pressure Turbine - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-146-7474

End Application:
Kc135r aircraft age.
Product Name:
Low pressure turbine shaft tube
Special Features:
Consist of tubular weldment fitted with pre-formed packing seals
Functional Description:
Used to center vent tube during balancing
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:

No
