Overall Length:

27.000 inches

Overall Height:

15.000 inches

Overall Width:

16.000 inches

End Application:

F-15 acft

Test Item Connection Method:

Connector

Functional Description:

Used to interface the uut with 4920-01-324-9041 test station

Reference Data And Literature:

Serd no. 3865

Supplementary Features:

Company name-bulk memory test package

Fsc Application Data:

4920-01-324-9041

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537k0
