End Application:

F-16a/b aircraft fuel/oil heat exchanger

Product Name:

Hydrostatic jet engine test stand

Functional Description:

Used to accomplish leakage and proof pressure tests on f-16 fuel/oil heat exchanger

Reference Data And Literature:

To 7j1-79-3

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
