**End Application:**

Kc-135r aircraft age.

**Special Features:**

Control panel, electric/operates on air input pressure of 150psa maximum and power cord for 110 volt 60hz current; use w/test panel p/n at3751; functionally tests linear actuator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A31700
