Overall Length:

65.000 inches

Overall Height:

3.800 inches

Overall Width:

9.900 inches

End Application:

Kc135r cfm5 (f108-cf-100) age.

Product Name:

Residual torque beam

Special Features:

Consists of an assembly comprised of a cross bar, at midlength an abutment secured by two pins and two bolts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
