End Application:

B-1b aircraft age.

End Item Source:

43999

End Item Name:

Nose landing gear steering manifold

Product Name:

Adapter assembly-hydraulic test, nlg steering manifold

Special Features:

One unit of five; part of t-15527 hydraulic test kit

Reference Data And Literature:

To 35-1-271-2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
