Fuel Vent Valve Testing Chamber - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-172-6740

End Application:
B-1b aircraft age.
Product Name:
Fuel vent valve testing chamber
Special Features:
Plastic; c/o fluid-tight cover w/tap for pressure gage, drain valve, an-type inlet fitting, standpipe
Functional Description:
Checks actuated float of wing vent valves during maintenance
Fsc Application Data:
Aircraft fuel system
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
