End Application:

B-1b aircraft age.

Product Name:

Test valve chamber

Special Features:

C/o a flanged aluminum container approx. 10.000 in. Lg., 12.000 in. W., 12.000 in. H. With a an816-4-4d nipple, and another flanged aluminum container approx 4.000 in. Lg., 12.000 in. W, 12.000 in. H. With a an816-4-4d nipple

Fsc Application Data:

Air conditioning and pressurization system

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
