Overall Length:

20.380 inches

Overall Height:

8.630 inches

Overall Width:

19.380 inches

End Application:

T56-a-15, 7a/b, -9b/c/d

Product Name:

Oil system pressure test set

Special Features:

Consists of four pressure gages 3.500 in. Dia, 0 to 100 psig accuracy, shatterproof glass, blowout disc, four hydraulic hoses, size 4, 35.000 ft lg, one fitting, filter adapter, one wafer, pressure tap 0.187 in. Thk, steel, with gaskets (for fuel heater outlet), and one wafer, pressure tap, 0.184 in. Thk, steel, with gaskets (for oil cooler outlet); carrying case, yellow fiberglass, 3 red nylon webbing caution streamers

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
