Electrical Test Set Adapter Subassembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-178-2667

End Application:
B1-b aircraft age
Special Features:
Flange adapter, hydraulic accumulator. Dia: 3.0 inch; length 1.9 inch, interfaces hydraulic port of accumulator to hydraulic component test
stand during containrer proof pressure, separatoproof pressure and leakage tests of hydraulic accumulator at intermediate and depot level
maintenance
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
