**End Application:**

B-1b aircraft age

**Product Name:**

Test fixture-shaker, horizontal stabilizer linkage

**Functional Description:**

Provides physical support for uut as required, and necessary electrical interface to the uut utilizing connectors p1 and p2 p/n ms27484t8f35p.

Used to test output and excursion

**Reference Data And Literature:**

To 35-1-271-2

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
