**End Application:**

F-15a/b/c/d aircraft age.

**Special Features:**

Test package c/o adapte (s), holding fixture(s) , hoses, cables and special accessories

**Functional Description:**

Used to adapt avionics subsystem digital modules to the digital avionic test station

**Reference Data And Literature:**

Serd no. 2465

**Supplementary Features:**

Company name-hsi no. 1 test package

**Fsc Application Data:**

4920-00-001-5268

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23800
