End Application:

B-1b aircraft age

Product Name:

Test adapter, turbocompressor, outlet

Special Features:

C/o one blanking flange p/n c2710-350fb; one seal p/n 2873-350 bonded to the inside surface on the flange; one coupling p/n 2703-350 tethered to the cap

Reference Data And Literature:

To 35-1-271-2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A537k0
