Pressure Transducer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4920-01-203-8737

General Description:

4.0 in I; 2.0 in w; recommended excitation: 28 vdc +4 vdc; temperature range: -65 degrees f to 250 degrees f

Fsc Application Data:

Test system, turbo jet

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

Yes - demil/mli
