End Application:

Gg1111 organic depot

Nominallength:

2.200 inches

Nominalwidth:

2.200 inches

Special Features:

Matl: aluminum and non-magnetic metals

Functional Description:

Ensures accurate placement of gyro on rate table calibration and performance testing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
