End Application:

Gg1111 organic depot

Nominalheight:

1.870 inches

Nominaldiameter:

1.430 inches

Special Features:

Matl: stainless steel

Functional Description:

Ensures proper mating with gyro, other welding fixtures and the rotational fixture

Reference Data And Literature:

Serd no. Hi-086

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
