End Application:

Gg1111 organic depot

Nominallength:

1.000 inches

Nominaldiameter:

1.090 inches

Special Features:

Matl: stainless steel

Functional Description:

Provides capability of holding the gyro header and gyro case in the proper position for welding

Reference Data And Literature:

Serd no. Hi-087

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505c0
