**End Application:**

Gg1111 organic depot

**Nominallength:**

1.120 inches

**Nominalwidth:**

1.002 inches

**Nominaldiameter:**

0.940 inches

**Special Features:**

Matl: stainless steel

**Functional Description:**

Provides the means to attach the gyro header and the case assembly to the laser welder table and allows rotation of the gyro assembly

**Reference Data And Literature:**

Serd no. Hi-076

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A505c0
