End Application:

B-1b aircraft age.

Special Features:

Cart, test, servocylinder assembly, hydraulic; used to test the master pitch/roll lru's; c/o fixture-cart, pressure transducer, cylinder/piston travel readout; linkage motion transducer readout; load cell readout, tach generator readout; complete set of software

Fsc Application Data:

Multi-purpose hydraulic test station

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T361-e
