End Application:

F-4 acft

Product Name:

Mission data transfer system

Special Features:

Performs system and device diagnostics, flight planning, weapon calculations and management, and post mission analysis

Functional Description:

Rapid retrieval of mission and maintenance data

Reference Data And Literature:

Serd number 76572c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A30800
