End Application:

Lantirn mob shelter st

Product Name:

Inlet air assembly

Special Features:

C/o inlet air assembly-mechanical 1; cover, access 2; wiring harness, branched 1; circuit breaker, magnetic, low pow cb1 1; housings, indicator-light xds1 1; lenses, indicator-light 1; lamp, glow, indicator, types c7a, c9 ds1 1; switch, airflow-vane type s1 1; assembly, thermister tc1 1; heater strip hr1-hr3 1; relay, solid state k1, k2 1; connector, electrical, mounting 2; connectors, electrical, circular

Fsc Application Data:

Shock isolation system 4920011152735

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
